

Annual conference ICOM CECA
Leuven, Belgium
12/16 october 2020

3) Another proposal during the conference: Applied Research Training Workshop:

"Improving the Effectiveness of an Educational or Cultural Program".

Goal: To develop museum professionals who are already familiar with the research process, but who need to deepen certain aspects of it.

Participants: People who have already participated in the Good Practices Prize or the Colette Dufresne-Tassé Prize for Research or anyone who has already had some applied research experience in their institution.

What happens at the annual conference:

The workshop will be offered by three trainers, in English, French and Spanish, to a small number of participants during a four-hour session.

They will bring to the workshop a research project conducted by them that may be the same as the one presented for one of the Best Practice or Research Awards.

Applications: Applications should be sent to: **PrixCDT(@)gmail.com** before **15 April 2020**.
