2) Terms and conditions of participation as a speaker

CO-CREATION INSIDE AND OUTSIDE THE MUSEUM

● **Poster (as a poster or panel)**

* Unlimited time allowed

A poster presents a text and some illustrations (photographs, charts, graphs, etc.) that should be functional (add something important to the content treated).

The text should be clear and short with evident headlines. It should include the following information:

- Name of the author, institution and e-mail address
- Identification and importance of the subject treated
- Originality of the project
- Results or end product
- Consequences or follow-up
- Dimensions are generally about one meter high by 60 cm wide. Reduced inexpensive copies can also be made available.
- Presenter should stand by his poster during all Poster Session, ready to offer information or engage dialogue with the conference partners.
