

Annual conference ICOM CECA
Leuven, Belgium
12/16 october 2020

2) Terms and conditions of participation as a speaker

● Special Interest Groups

* A new way to contribute to the conference is to contact the leaders of the special interest groups and offer them a short presentation on the theme they are facilitating.

This contribution during the conference should respect the interactive dynamics desired in these discussion groups.

Interventions during SIG should comply with the following rules :

Sending before April 15 : the name of the speaker, of the name of his institution, of a topic.

Oral interventions should be of short duration (5 minutes maximum) and should include ideas that encourage discussion within the group.
