

Annual Report 2019-2020
Jeanine Pollard
North America Regional Coordinator
and Young Members Grant Coordinator

In 2019 Canada and the United States were brought together as a single North American Region. As a new regional coordinator I spent much of this year learning and planning. This included recruiting national correspondents from both Canada and the US and establishing a biannual newsletter to members. In addition, I managed dissemination and communication for the 2020 Young Members Grant, co-coordinated the registration process for the 2020 CECA General Assembly, and reviewed English translations for the CECA website.

In the coming year I look forward to partnering with North American National Correspondents to better connect our members with the global CECA network.
