

## **Jeanine Pollard**

North America Regional Coordinator and Young Members'  
Travel Grant Coordinator

### **Annual Report 2021**

The North American Region (Canada and the United States) did not experience many changes this past year. I continue the search for members from both Canada and the United States who are interested in serving as national correspondents. I also distribute CECA newsletters to the North America mailing list to keep members up to date on opportunities and activities of our international committee.

In addition to my role as Regional Coordinator I coordinated the [2021 CECA Young Members' Travel Grant](#) application and selection process. I thank all the applicants for sharing their innovative ideas and congratulate the 4 winners who had the opportunity to present at this year's CECA Conference in Leuven, Belgium. I also worked alongside Nelly Abboud to co-coordinate the registration process for the 2021 CECA General Assembly, served as a juror for 2021 CECA Colette Dufresne-Tassé Award, and copy edited English translations for the CECA website and other publications.

Over the past year I have had the privilege to learn from CECA members around the world as we continue to move through the global COVID-19 pandemic with grace, determination, and creativity. Sending wishes for continued health and success in the coming year to each of you.
