

## IRIS ICOM MEMBERSHIP DATABASE CECA MEMBERSHIP DATA 2022

IRIS CECA Manager: Marie-Françoise DELVAL

### **IRIS is the database of ICOM members.**

IRIS is the Salesforce CRM tool implemented for the General Secretariat to manage ICOM members, from application to membership payment, to International Committee affiliation and IRIS account.

### **What is an international committee manager?**

An international committee manager is the person designated by the international committee chair to log into IRIS and export lists of committee affiliates.

I am the IRIS manager for the CECA international committee.

From the IRIS database of the CECA members, and at the request of the president, I can establish cross-referenced data sorting, in order to gather targeted information on one or several years, on regions, countries, languages, types of members, their contact details, their institution... These extractions are done in downloadable Excel files, which are also usable.

This allows me to make statistics, and thematic researches for the organization of the CECA activities. To create separate mailing lists for sending reports, information, and newsletters. And to help the Regional Coordinators to send mailing lists, by country, to the National Correspondents to facilitate the dissemination of information.

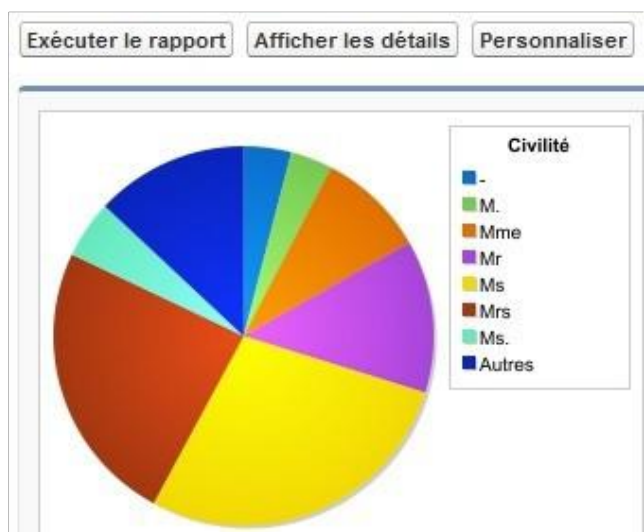

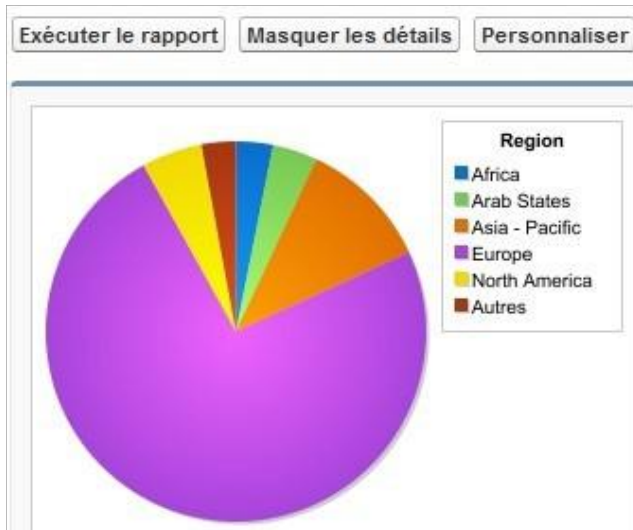

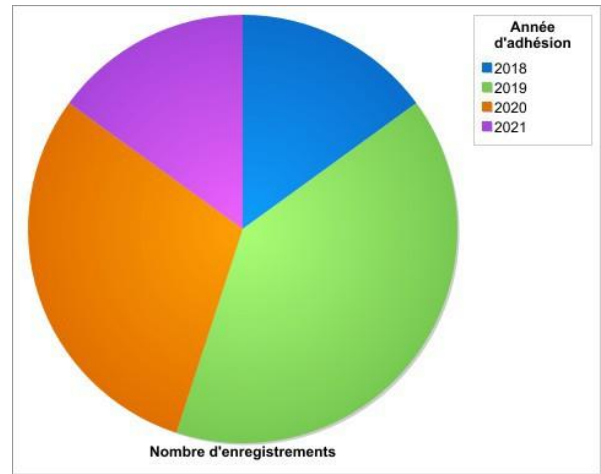

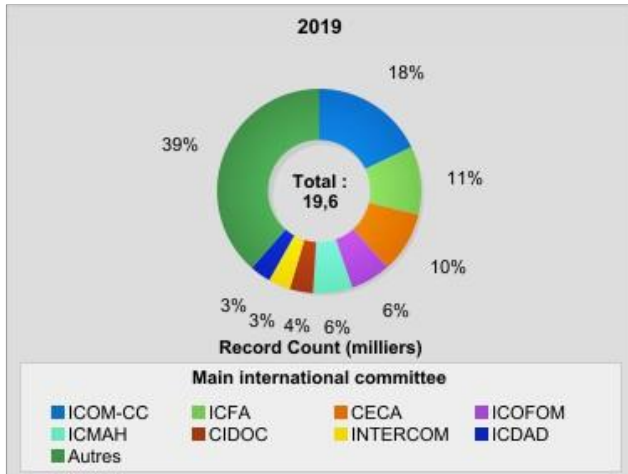

It also allows us to check if the members are up to date with their dues, and their rights in ICOM and in the international committee (elections, voting...).

If there are any problems with a member's data, I report it to the committee chairperson so that she can inform the ICOM General Secretariat.

### **For example, here are some statistics and diagrams for 2021-2022.**

## 12 October 2022 on the CECA IRIS database

### 3016 registrants

of which 2001 "Up to date with payment", 134 "Pending payment", 881 "No membership".

*As a reminder, no membership means that dues have not been paid for several years... Lapsed card = no more annual sticker.*

### The IRIS CECA database shows 3016 members on October 12, 2022.

In reality, only **2001** members (all categories) are officially members, because they have paid their 2022 dues and received the 2022 sticker which makes their ICOM card valid, and gives them certain advantages.

The 134 members "in arrears" have paid their 2022 dues to their National Committee, but the latter has not yet sent it to the ICOM General Secretariat for administrative reasons.

If we include them, we can count **2135** official members for the CECA.

### By category of members listed:

- **Active 2214**, of which 1424 (up to date with dues), 111 (pending payment), 679 (no membership).
- **Students 342**, of which 206 (up to date with dues), 20 (pending payment), 116 (no membership).
- **Retirees 425**, of which 369 (up to date), 2 (pending payment), 53 (no membership)
- **Benefactors 3**, including 3 (no membership).
- **No category 26** (no membership).

### All categories, "Up to date with dues".

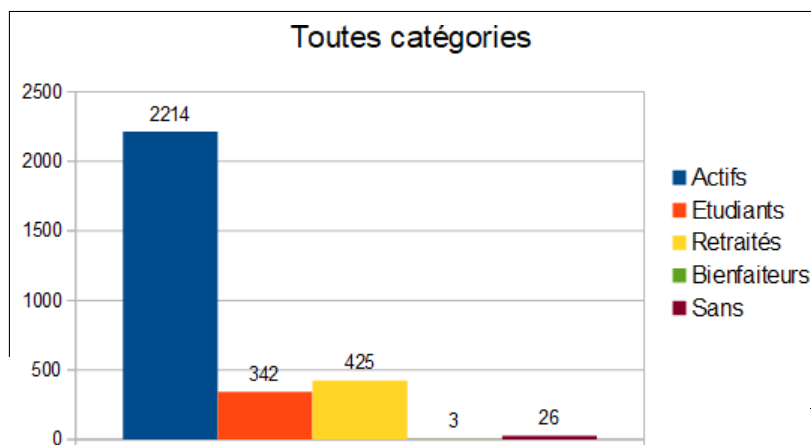

1424 active, 206 students, 369 retired, that is: **1999**. All

### categories, "Pending payment
