

Dear members,

First of all, we wish everyone a good, loving and inspiring year full of new opportunities and possibilities.

We are sending you this letter to **replace the ZOOM link** for the CECA general meeting on 14 January. The link we sent last newsletter does not work.

[New Zoom link](#)

We will meet on **January 14th at 3pm** (Paris time - GMT+1). The meeting will be held in English on Zoom, but there will be sequential translation done by board members. No minutes will be made as the reports are already very detailed.

Agenda:

- Presentation by the President of the main achievements of 2022
- Remarks about these achievements by the respective board members
- 2023 Annual conference in Singapore
- Budget orientation for 2023
- Other perspectives for 2023
- Questions from members

If you have any questions, please contact Julie Rose, logistics coordinator: ceca.ag2023@gmail.com

To have an idea of the topics we will discuss, we invite you to consult the activity reports of the different CECA functions on the [dedicated webpage](#).

We look forward to seeing you at the General Assembly,
The CECA board

The CECA Annual Conference will be held in Singapore this year (2023)! Our fellow board member Asmah Alias, working for the National Heritage Board in Singapore, will talk more about it on 14 January.
