CECA Newsletter 17 - February 2024

Dear CECA members,

To improve its visibility, ICOM is launching a campaign in 2024 to rethink the acronyms used to identify its international committees. While some acronyms are easily understood by people outside ICOM, others are very obscure. The acronym CECA is obscure for the uninitiated. In addition, the research work undertaken by some of us on the term cultural action has shown its relative lack of contemporary relevance.

For these two reasons, we are inviting you to take part in a survey designed to involve CECA members in this process of reflection.

If you want to contribute to this process, please respond via [Google survey](#) **before 15 March 2024.**
